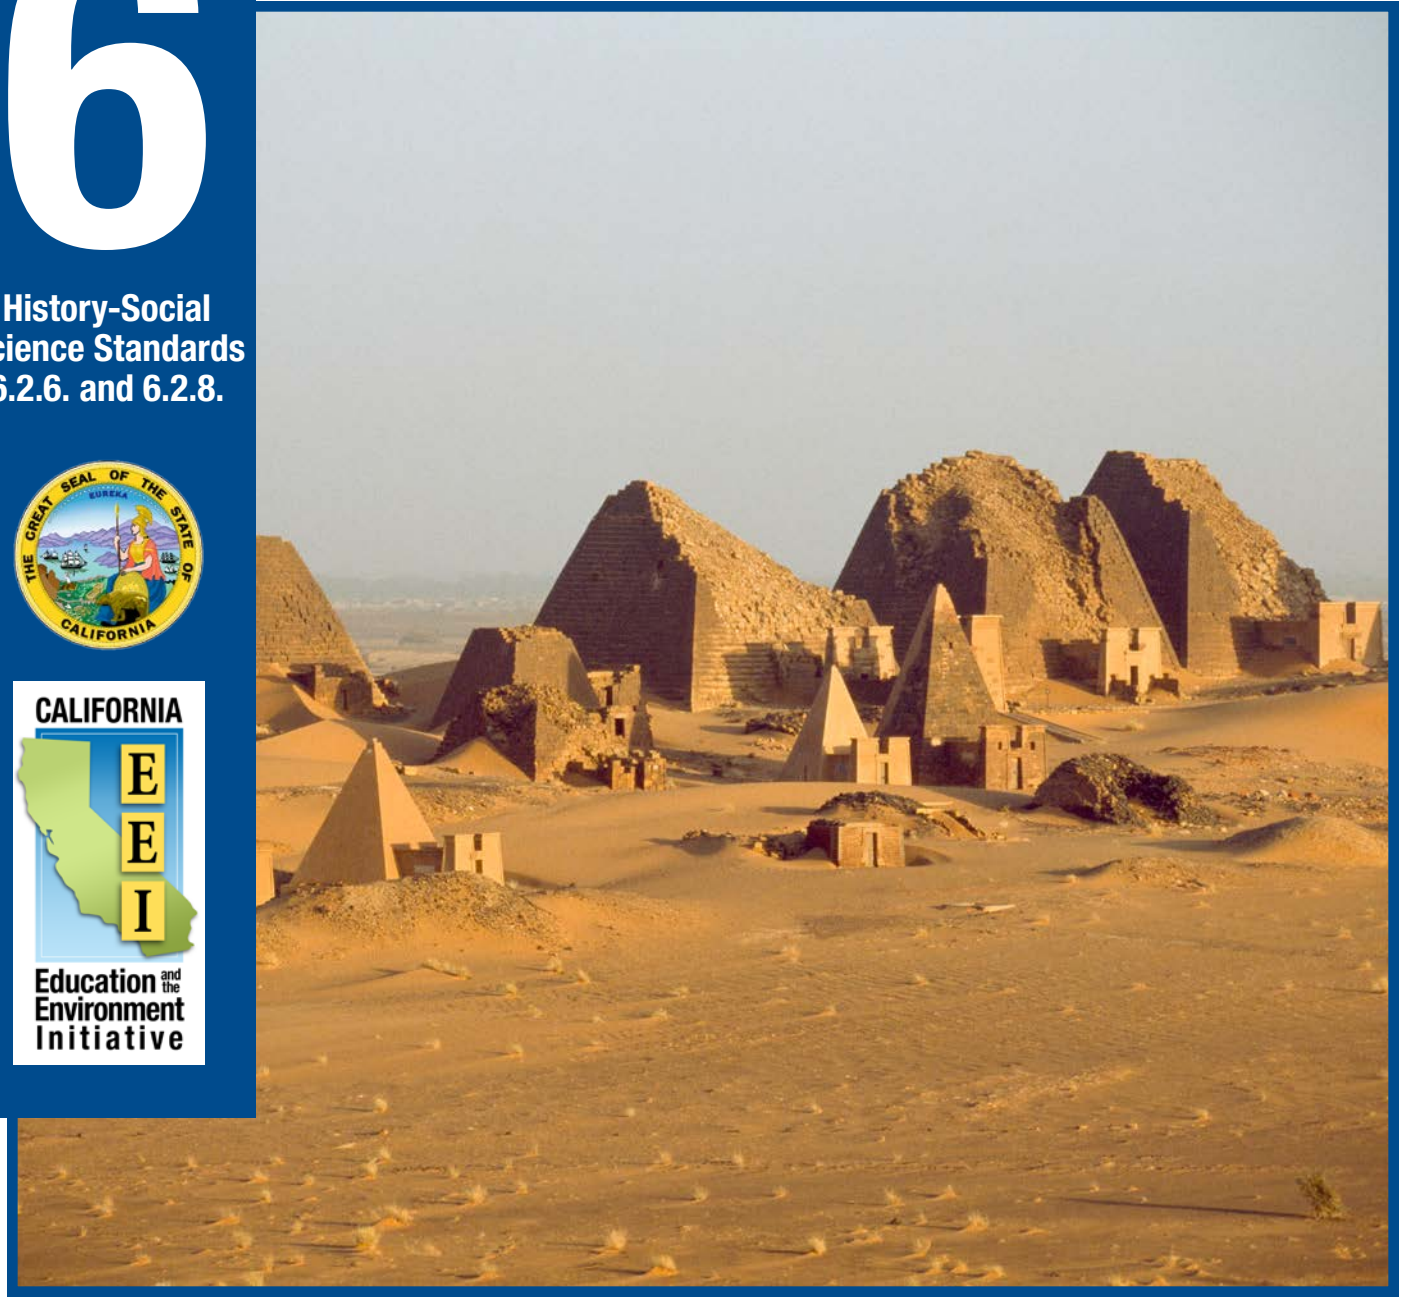
6

History-Social Science Standards 6.2.6. and 6.2.8.



Egypt and Kush: A Tale of Two Kingdoms

California Education and the Environment Initiative

Approved by the California State Board of Education, 2010

The Education and the Environment Initiative Curriculum is a cooperative endeavor of the following entities:

California Environmental Protection Agency

California Natural Resources Agency

California State Board of Education

California Department of Education

Department of Resources Recycling and Recovery (CalRecycle)

Key Partners:

Special thanks to **Heal the Bay,** sponsor of the EEI law, for their partnership and participation in reviewing portions of the EEI curriculum.

Valuable assistance with maps, photos, videos and design was provided by the **National Geographic Society** under a contract with the State of California.

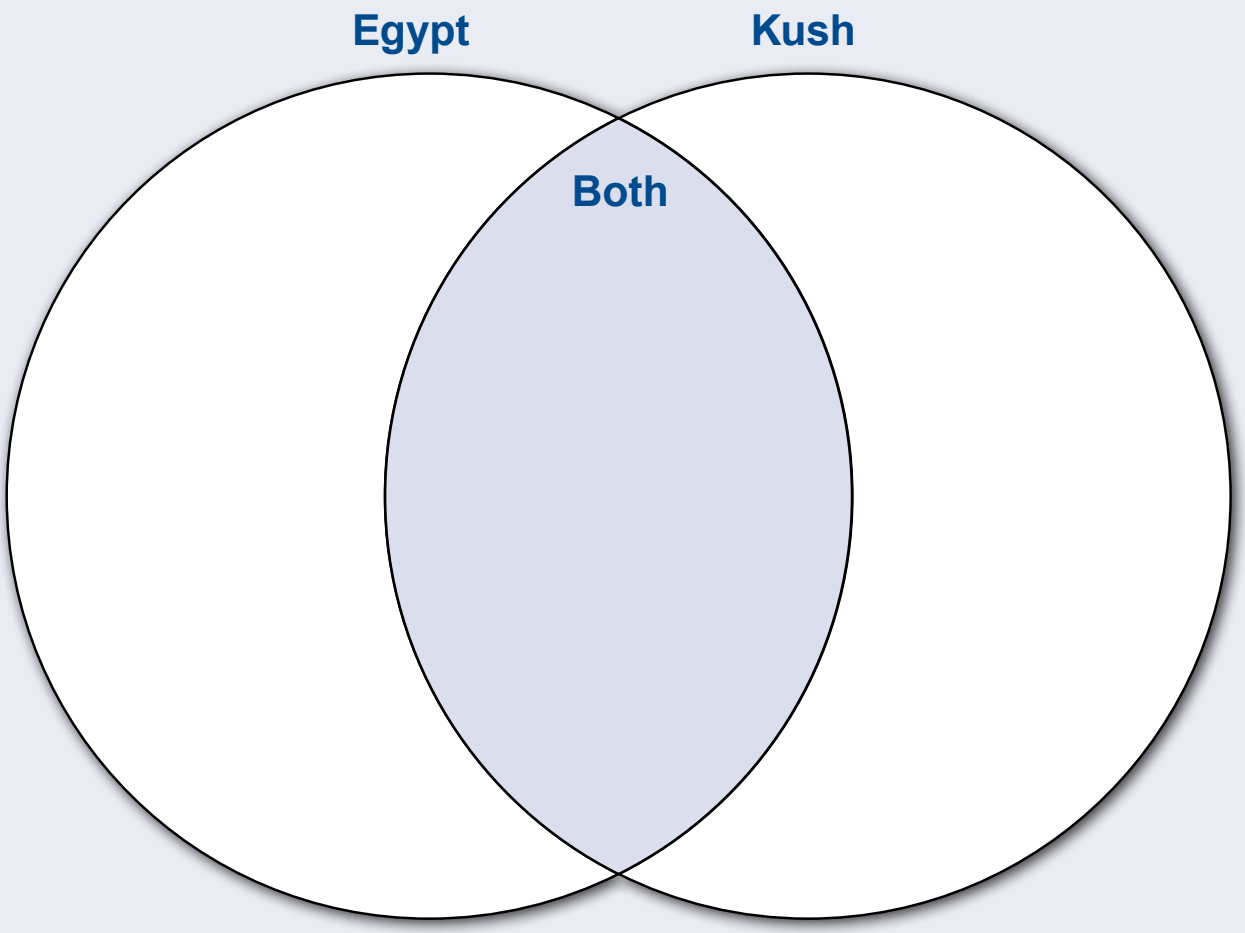
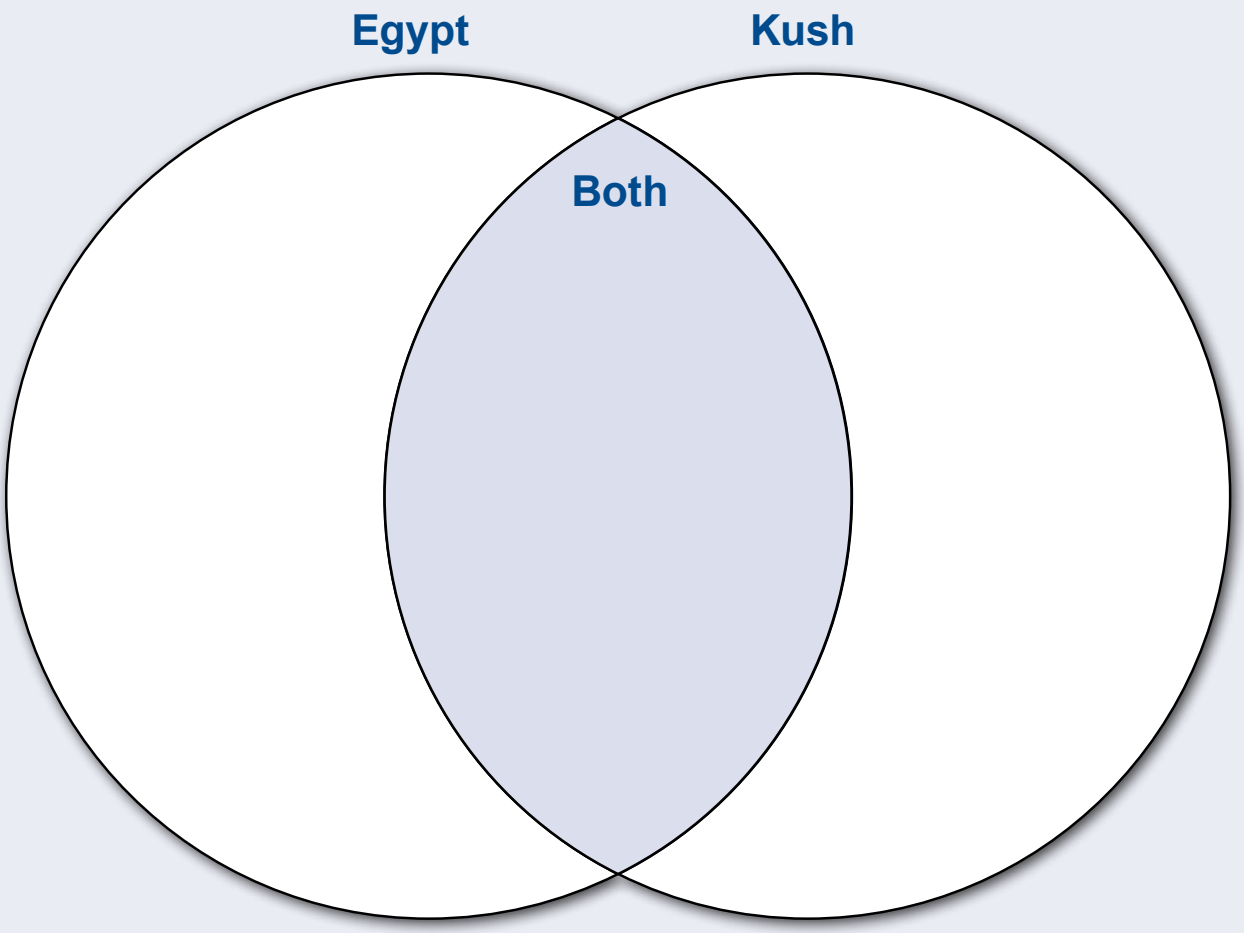
Economic Systems



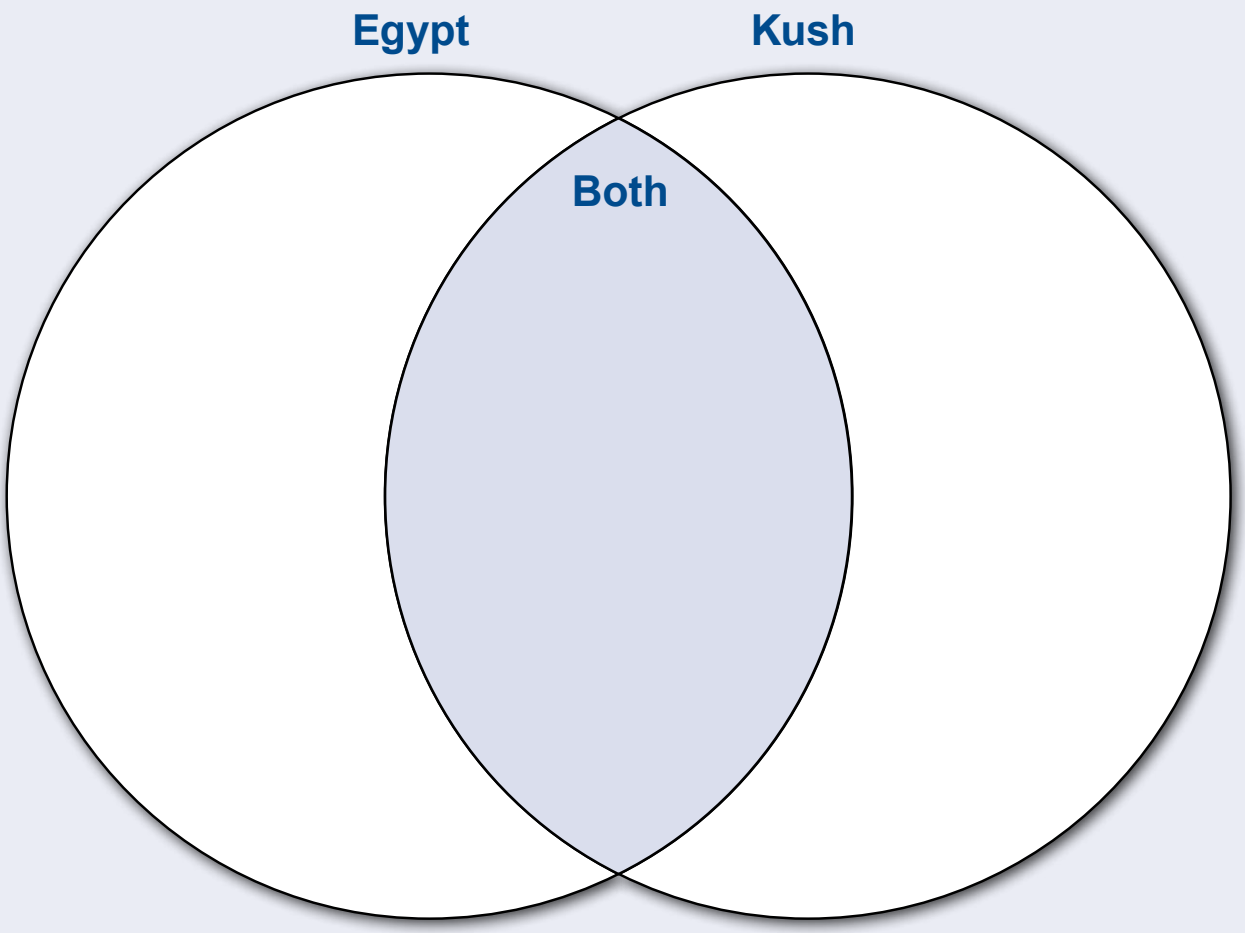
VA #4 Comparing Egypt and Kush: Political Systems

Political Systems

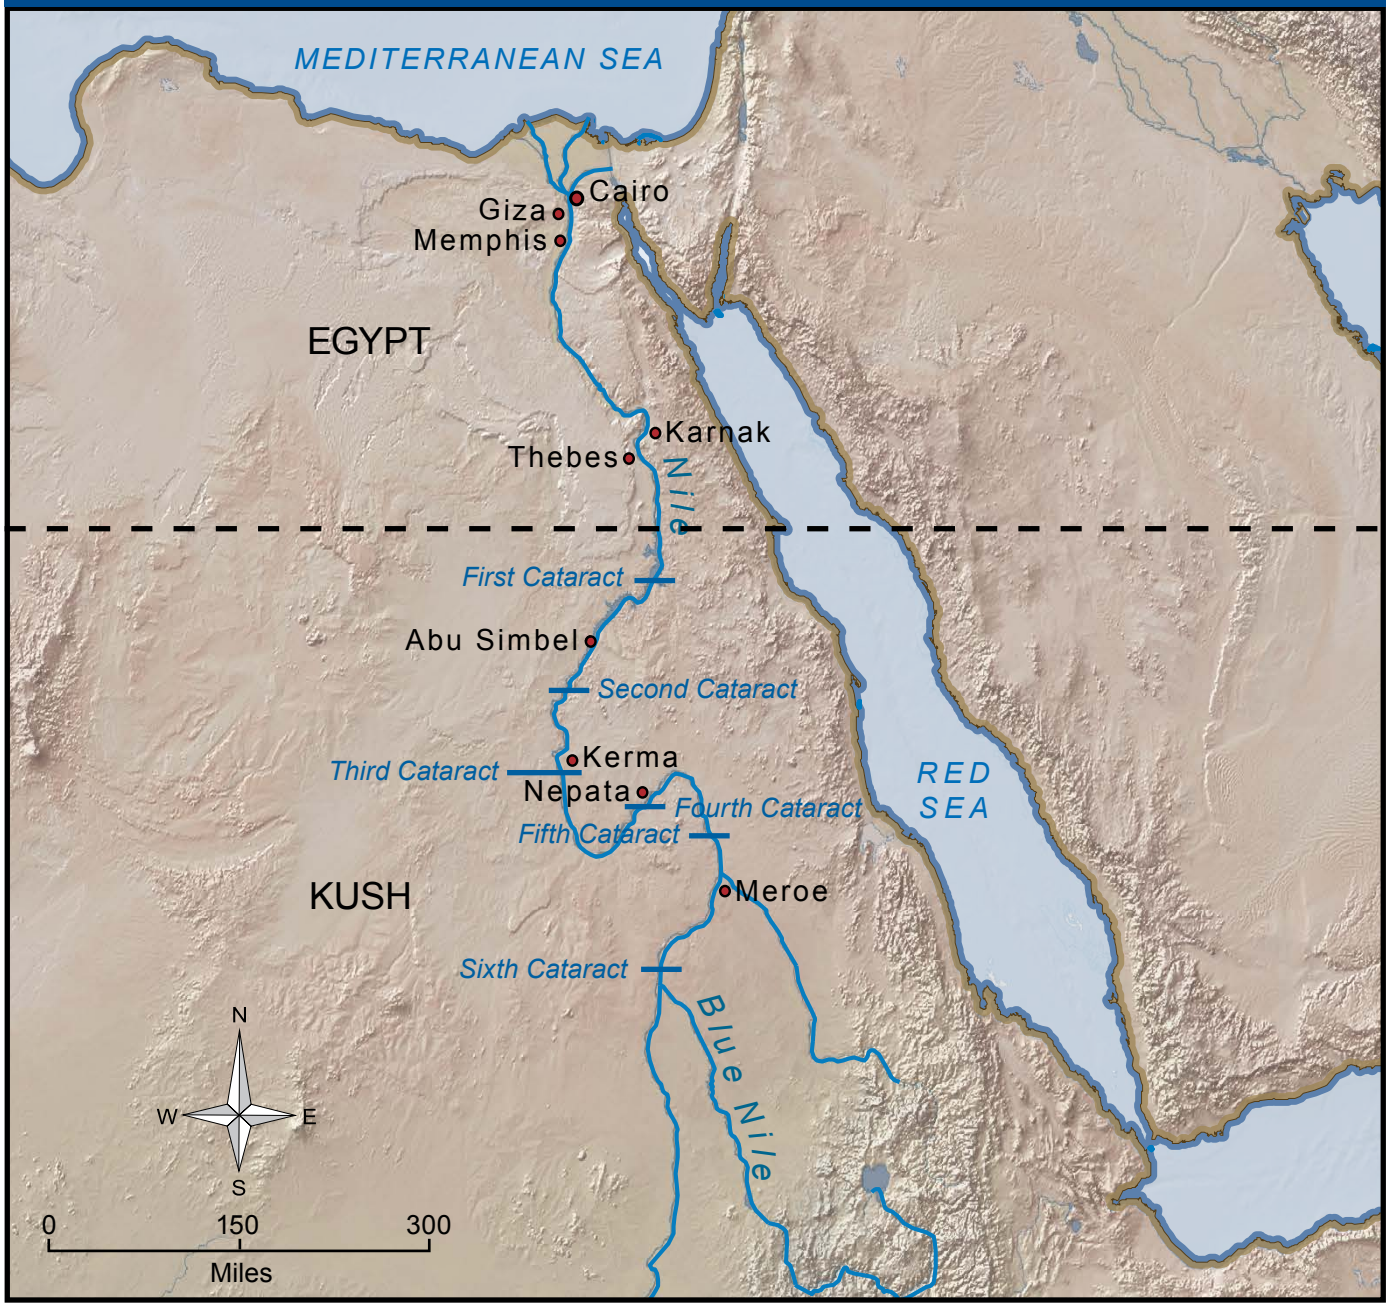


VA #5 Comparing Egypt and Kush: Religious Systems

Religious Systems

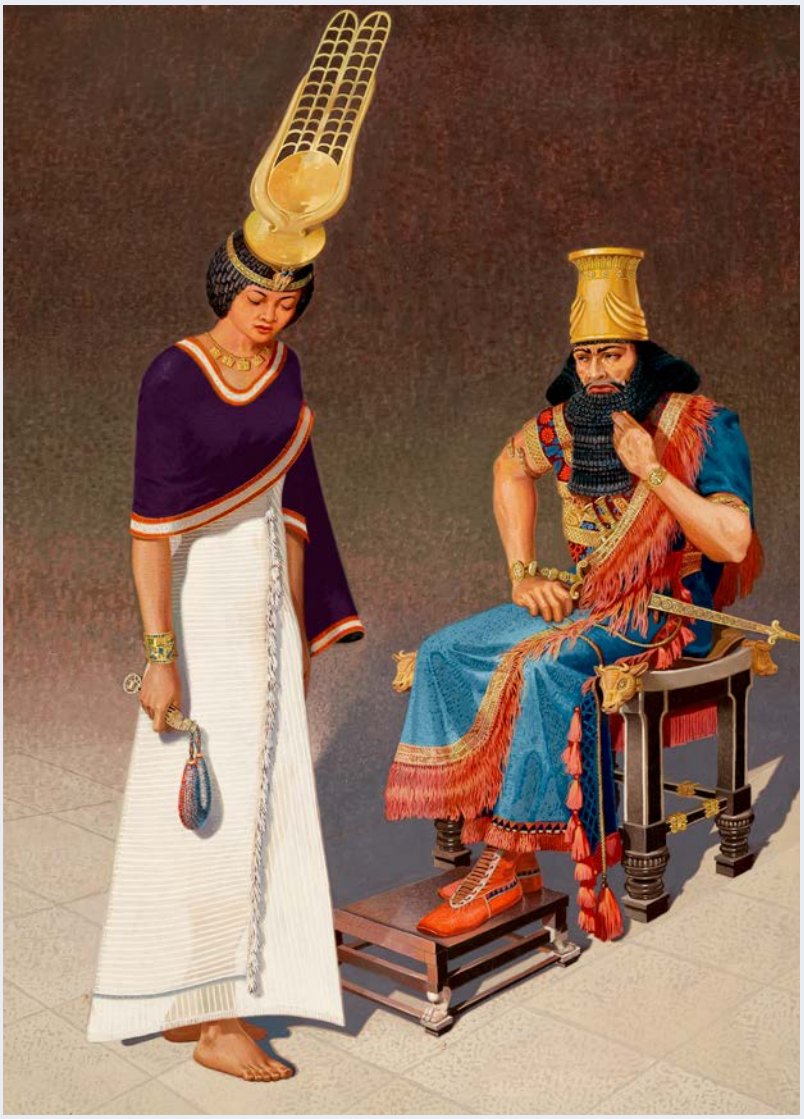


VA #6 Capitals of Egypt and Kush



VA #7 The World Demanded Purple

Clothing in ancient Egypt was just as important as it is today. For Pharaoh, his family, and all of the nobles, clothes mattered. Whether it was the finest in locally produced linen, or woolen fabric from Mesopotamia, the Egyptian upper class demanded nothing but the best. For their clothing, Egyptians desired fine quality linen more than any other fabric.



Clothing in the ancient world
