New Imperialism: The Control of India's and South Africa's Resources

California Education and the Environment Initiative

Approved by the California State Board of Education, 2010

The Education and the Environment Initiative Curriculum is a cooperative endeavor of the following entities:

California Environmental Protection Agency
California Natural Resources Agency
California State Board of Education
California Department of Education
Department of Resources Recycling and Recovery (CalRecycle)

Key Partners:

Special thanks to **Heal the Bay**, sponsor of the EEI law, for their partnership and participation in reviewing portions of the EEI curriculum.

Valuable assistance with maps, photos, videos and design was provided by the **National Geographic Society** under a contract with the State of California.

New Imperialism

Name: _____

13. How did the British use of natural resources from the colonies influence the lives of the peoples in the areas that were colonized? Specifically,

In India:

In South Africa:

How They Saw It Poster

Alternative Unit Assessment Master

Name: _____

Instructions: Create a poster illustrating the perspective of one of the stakeholders in India or South Africa. Your poster should summarize the stakeholder's belief about control over resources in the region and illustrate this perspective.

Poster Contents

The text on your poster should:

- describe the stakeholder
- identify at least one resource desired by colonial power
- identify who has control of resource
- describe the stakeholder's view about control
- describe the stakeholder's response to control

The illustration on your poster should:

- show the stakeholder
- show the environment where stakeholder lives and works
- show at least one resource that is sought by colonial power

The **How They Saw It Poster Scoring Tool** below will be used to score your work.

Your poster is due on: _____.

The How They Saw It Poster Scoring Tool

Description of the stakeholder 15 points	Summary of stakeholder perspective 10 points points each listed item, 50 total	Illustration 5 points each listed item, 15 total
<ul style="list-style-type: none">■ Describe the stakeholder. For example: Colonial Indian, Elite Indian, British Soldier in India, Afrikaner, African mine worker, British Gold Mine Owner, Queen of England.	<ul style="list-style-type: none">■ Describe the stakeholder's perspective■ Identify at least one resource desired by the colonial power■ Identify who has control of the resource■ Describe the stakeholder's view about control■ Describe the stakeholder's response to control	<ul style="list-style-type: none">■ Shows the stakeholder■ Shows the environment where the stakeholder lives and works■ Shows at least one resource that is sought by colonial power
