California Education and the Environment Initiative

Approved by the California State Board of Education, 2010

The Education and the Environment Curriculum is a cooperative endeavor of the following entities:

California Environmental Protection Agency
California Natural Resources Agency
Office of the Secretary of Education
California State Board of Education
California Department of Education
California Integrated Waste Management Board

Key Leadership for the Education and Environment Initiative:

Linda Adams, Secretary, California Environmental Protection Agency
Patty Zwarts, Deputy Secretary for Policy and Legislation, California Environmental Protection Agency
Andrea Lewis, Assistant Secretary for Education and Quality Programs, California Environmental Protection Agency
Mark Leary, Executive Director, California Integrated Waste Management Board
Mindy Fox, Director, Office of Education and the Environment, California Integrated Waste Management Board

Key Partners:

Special thanks to **Heal the Bay**, sponsor of the EEI law, for their partnership and participation in reviewing portions of the EEI curriculum.

Valuable assistance with maps, photos, videos and design was provided by the **National Geographic Society** under a contract with the State of California.

LESSON 1 Coast to Coast Connections: Settlement and Natural Resources

A Settlement Story	2
Settlements Along the Eastern Seaboard	3

LESSON 2 The Role of the Naturalist

Naturalist Notes	5
Using Ecosystem Goods and Ecosystem Services	7

LESSON 3 An Ocean of Services

Atlantic Ocean Services	8
-----------------------------------	---

LESSON 4 The Development of Colonial Economies

Colonial Economies Chart	10
Colonial Report	13

LESSON 5 Colonial Differences

Colonial Comparisons	14
Three Regions of Colonial America	16

A Settlement Story

Lesson 1

Name: _____

Instructions: Answer the following questions using information from *California Connections: Settling Temecula* and what you know about the settlement of California long ago.

1. What made the Temecula Valley a place where people long ago wanted to settle?

2. Who were the first people to settle in the Temecula Valley? Who came to the valley after they did?

3. How did farming change the Temecula Valley over time?

4. What two things made it easy for people to get to Temecula?

5. As Temecula grew, what happened to the American Indians living in the valley?

Settlements Along the Eastern Seaboard

Lesson 1 | page 1 of 2

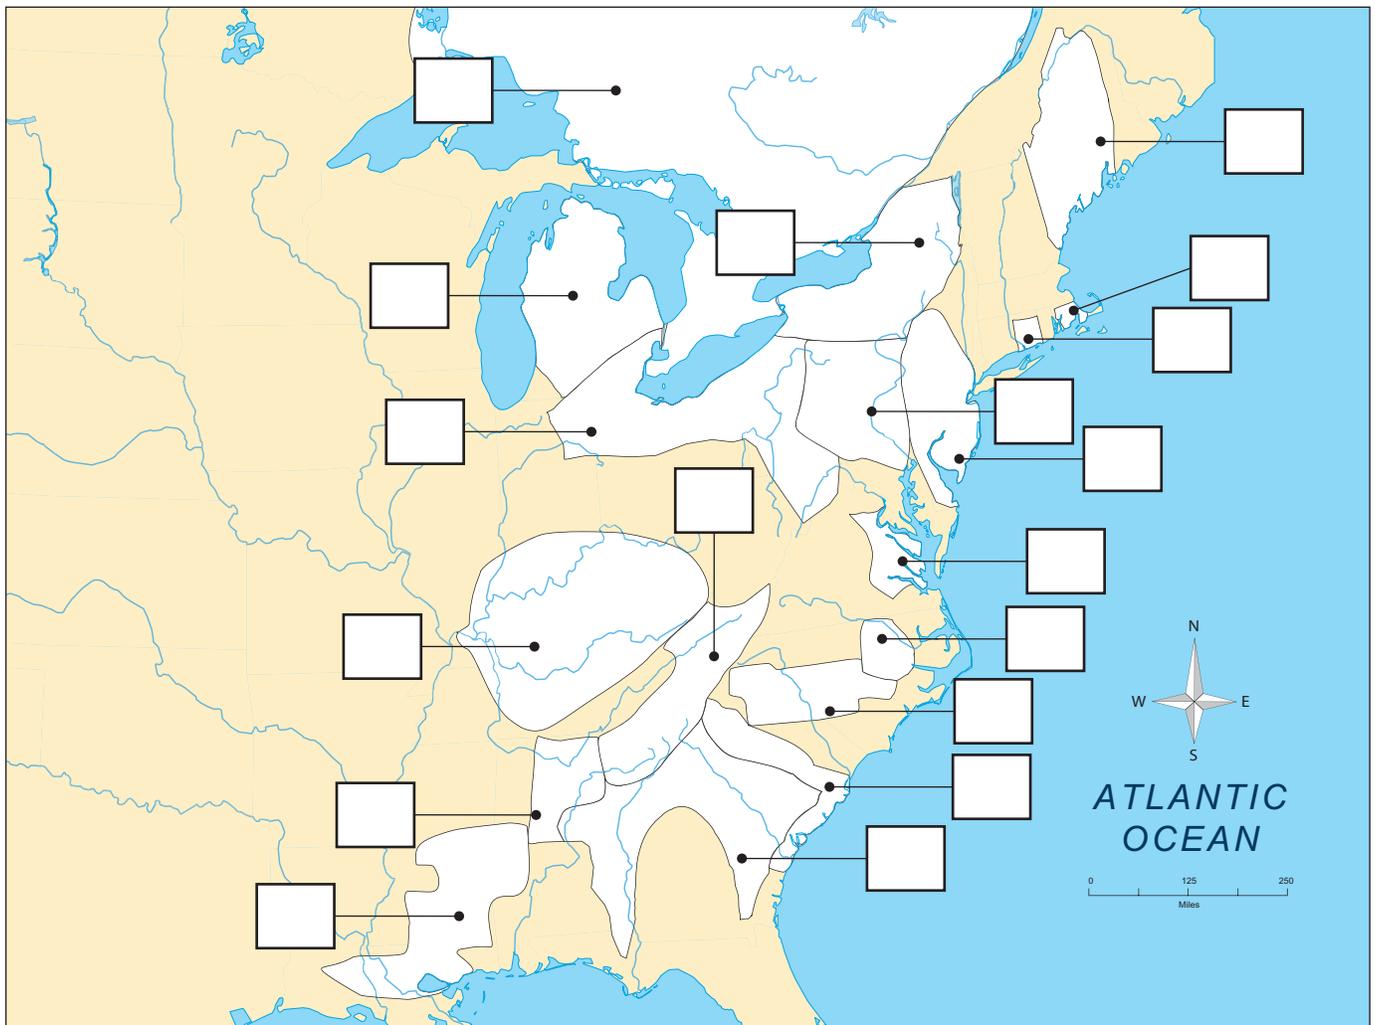

Name: _____

Instructions: Color the lands of each American Indian nation and use the numbers in the key to label each nation on the map below. (1 point each)

Key

1 = Abenaki	6 = Delaware Indians	11 = Shawnee	16 = Pequot
2 = Creek	7 = Powhatan	12 = Cherokee	17 = Tuscarora
3 = Potawatomi	8 = Wanpanoags	13 = Iriquois	18 = Muskogee
4 = Tuskegee	9 = Catawba	14 = Susquehannock	
5 = Algonquin	10 = Erie	15 = Choctaw	

American Indian Nations on the Eastern Seaboard in 1600

Settlements Along the Eastern Seaboard

Lesson 1 | page 2 of 2

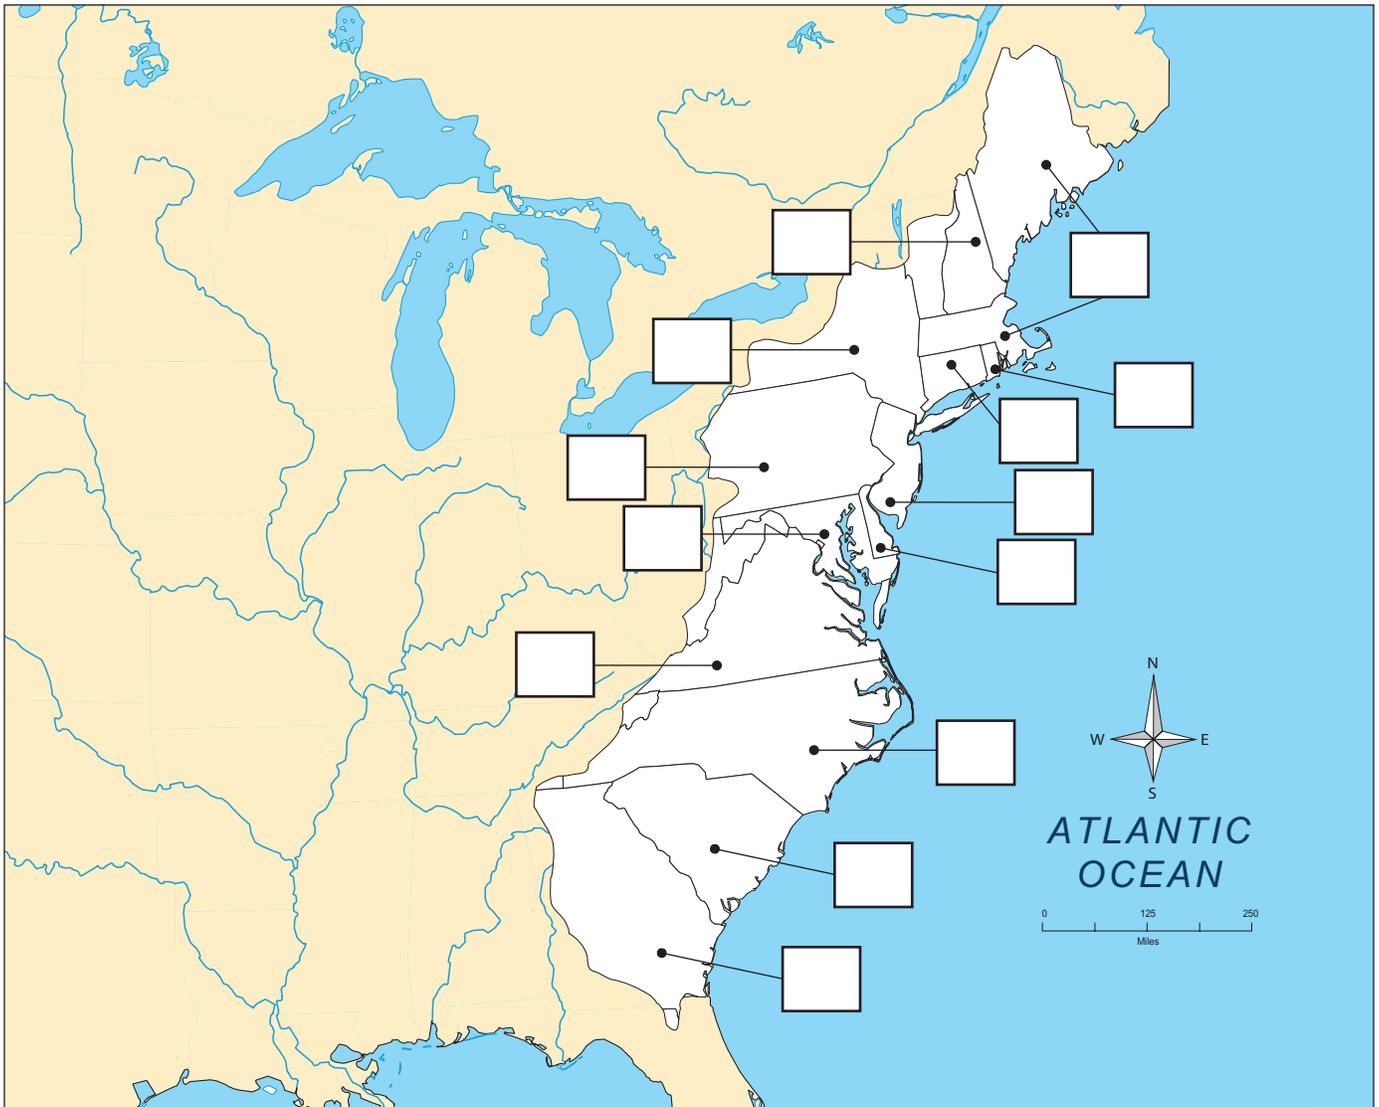

Name: _____

Instructions: Color the lands of each colony and use the numbers in the key to label each colony on the map below. (1 point each)

Key

1 = South Carolina	5 = New Hampshire	9 = Massachusetts	13 = Pennsylvania
2 = North Carolina	6 = New York	10 = Delaware	
3 = Connecticut	7 = New Jersey	11 = Virginia	
4 = Maryland	8 = Georgia	12 = Rhode Island	

The 13 Colonies in 1763

Naturalist Notes

Name: _____

Instructions: As a naturalist on the East Coast of North America, your job is to record information about the natural resources in the ecosystems around you. In the chart below, record information about ten of the most popular ecosystem goods on the eastern seaboard. (1 point per box)

Resource	What is it?	How is it used?	Who used this resource, American Indians or Europeans?
Sturgeon			
Cranberries			
Tobacco			
Turkey			
Corn (Maize)			

Naturalist Notes

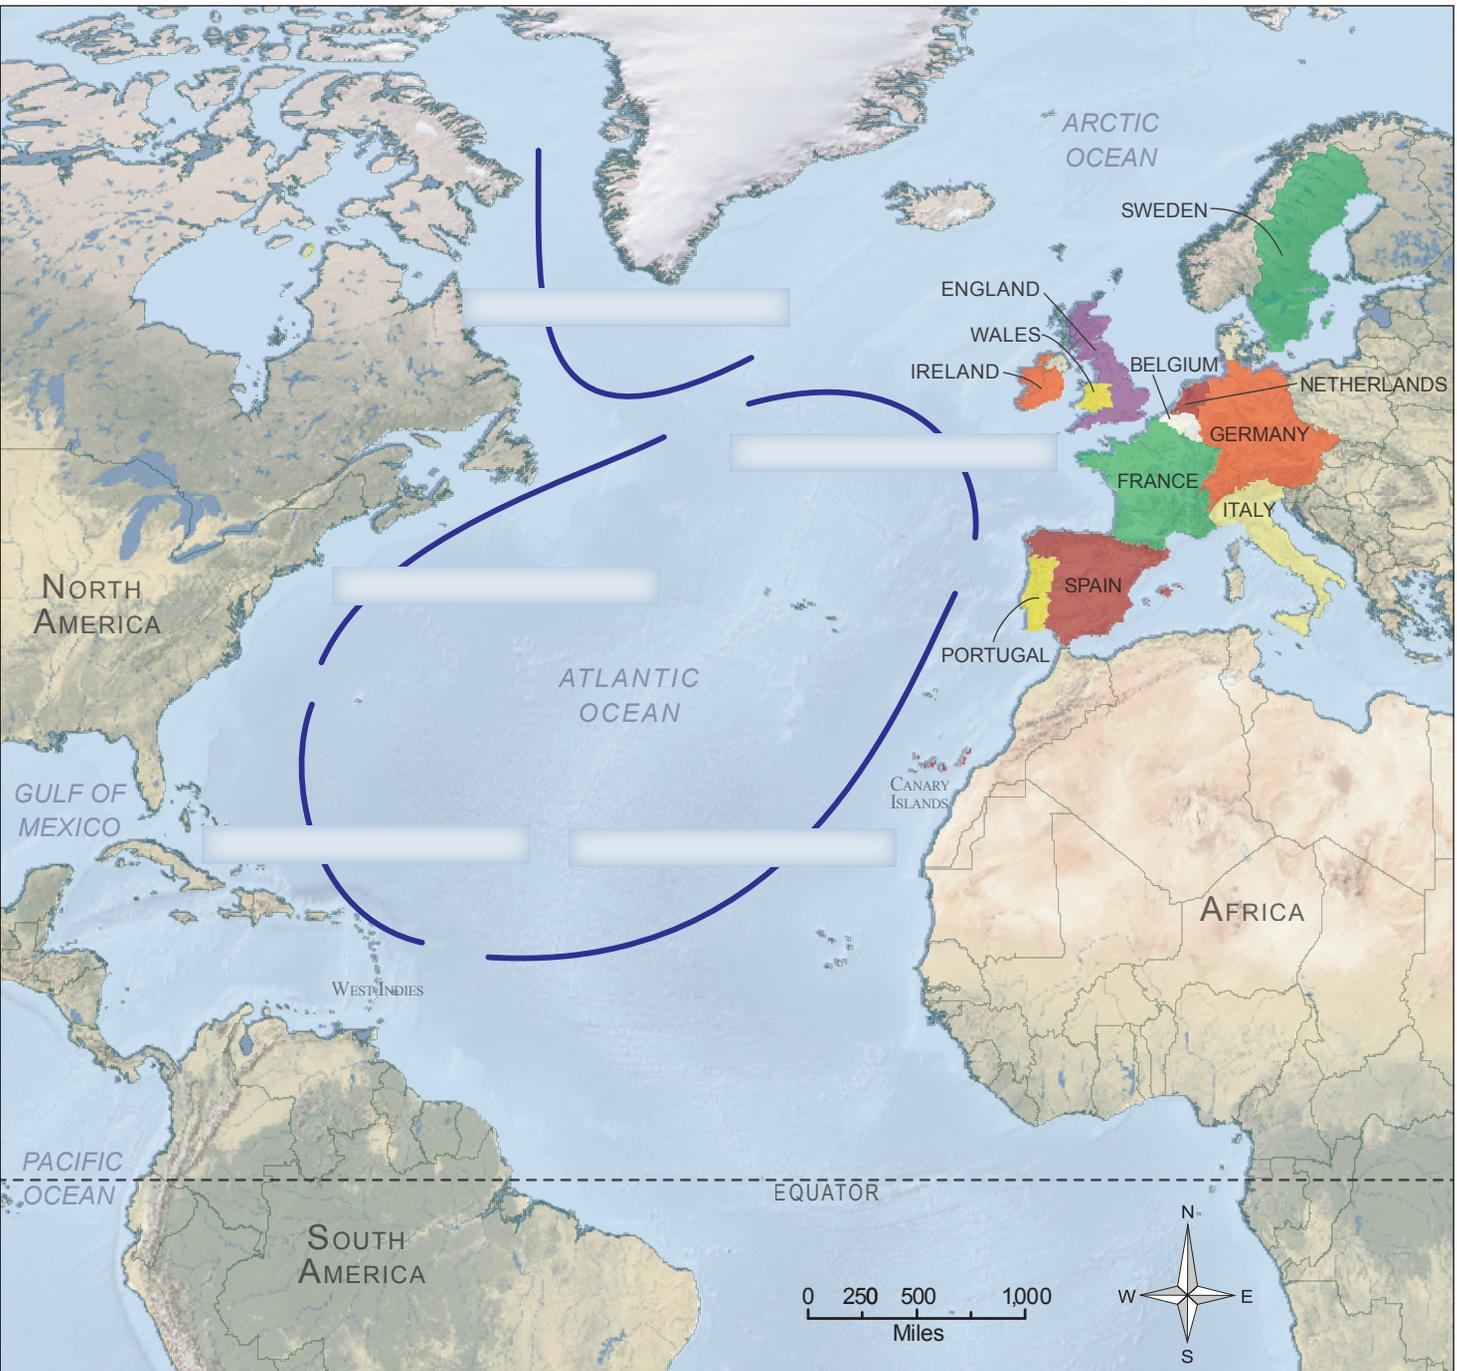

Lesson 2 | page 2 of 2

Name: _____

Resource	What is it?	How is it used?	Who used this resource, American Indians or Europeans?
Hickory			
Beaver			
Witch Hazel			
White Pine			
Ginseng			

Name: _____

Instructions: Write the names of the major ocean currents on the map below. Draw arrow heads on each to show in which direction they are moving. (10 points)

Colonial Economies Chart

Lesson 4 | page 1 of 3

Name: _____

Instructions: Complete the chart below by filling in information about each colony. Start by filling in the row for your colony. Fill in the rest of the rows on your chart as other groups share information about their colonies. (2 points per box)

1. What natural resources are available in this colony?
2. What types of businesses developed in this colony?

Colony	Natural Resources	Types of Businesses
Massachusetts		
New Hampshire		
Rhode Island		

Colonial Economies Chart

Lesson 4 | page 2 of 3

Colony	Natural Resources	Types of Businesses
Connecticut		
New York		
Pennsylvania		
New Jersey		
Delaware		

Colonial Economies Chart

Lesson 4 | page 3 of 3

Name: _____

Colony	Natural Resources	Types of Businesses
Maryland		
Virginia		
North Carolina		
South Carolina		
Georgia		

Colonial Comparisons

Lesson 5 | page 1 of 2

Name: _____

Part 1

Instructions: Complete the chart below by answering the questions about each of the colonies in your colonial region.

Our colonial region: _____

Colony	What were the main industries in this colony?	What were the main natural resources in this colony?	What were the physical features of this colony?

Three Regions of Colonial America

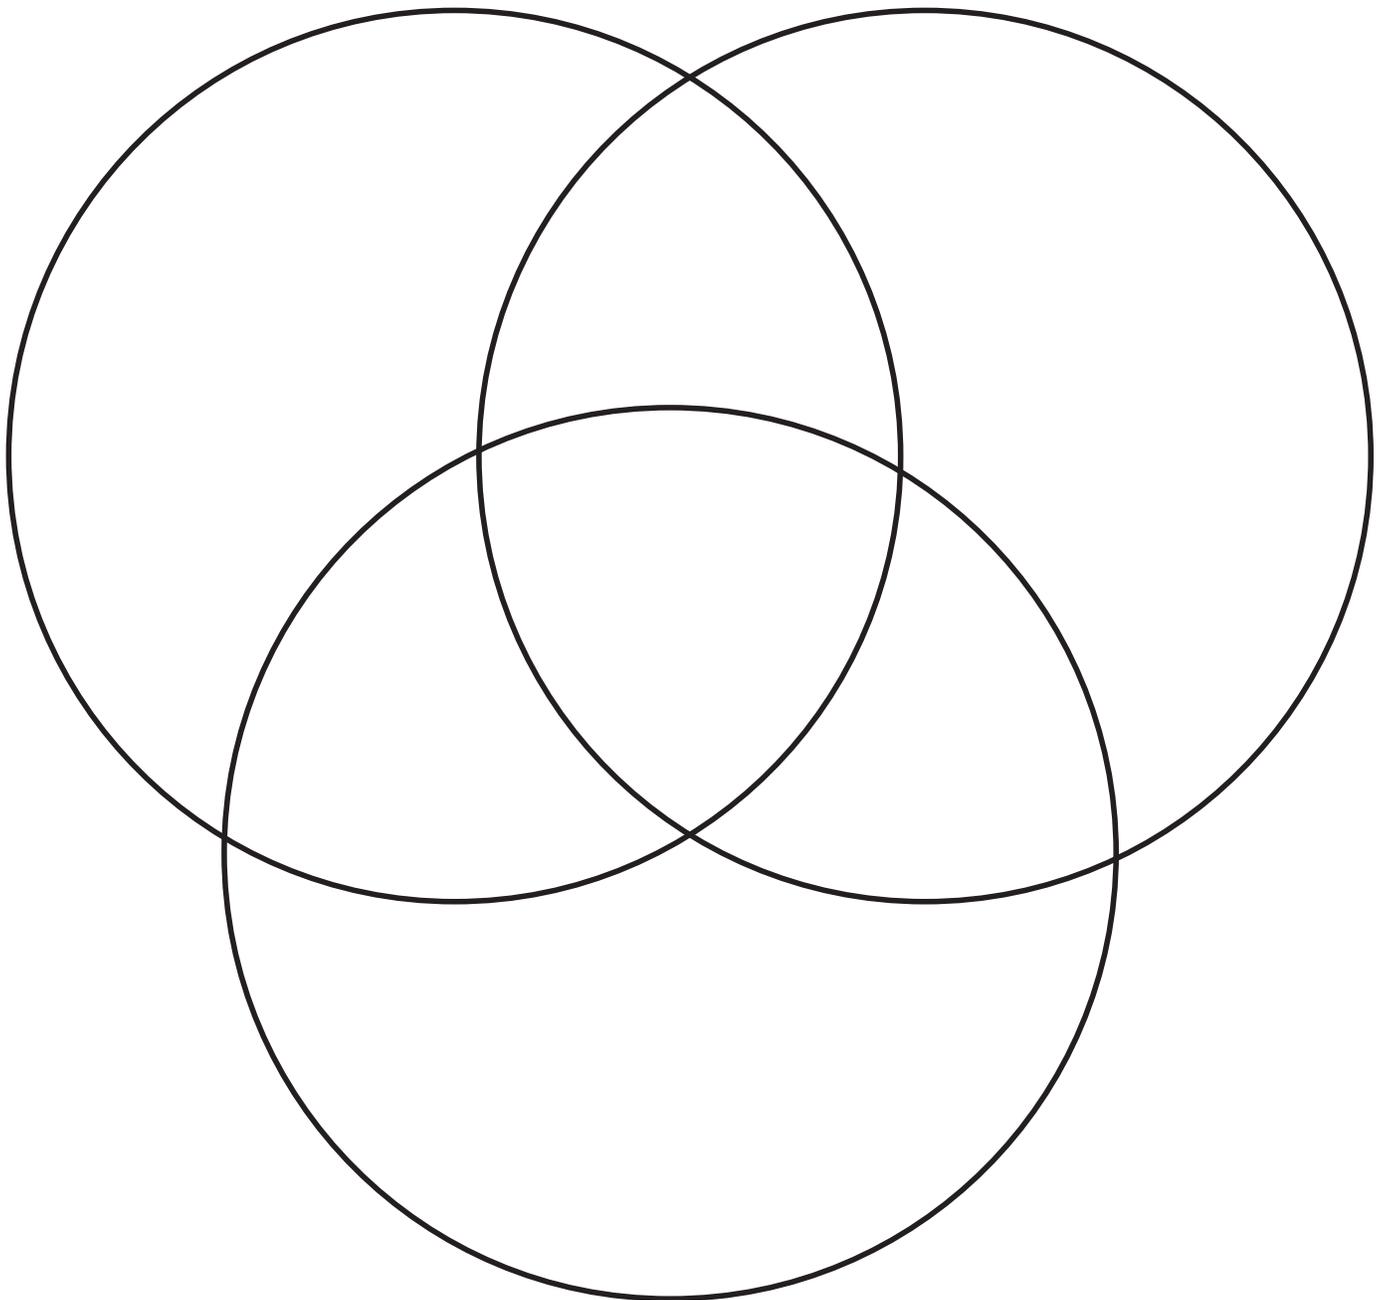

Lesson 5

Name: _____

Instructions: Fill in the diagram below with information about the colonies in the three colonial regions. List what the regions have in common in the overlapping sections. List what is unique to each region in the outer parts of their circles. (15 points total)

NEW ENGLAND COLONIES

MIDDLE COLONIES

SOUTHERN COLONIES

Unit Title: **Human Settlement and the Natural Regions of the Eastern Seaboard**
Grade: **5**
