Mr. Fareed Ferhut  
Integrated Waste Management Specialist  
Buy Recycled Section  
CIWMB  
1001 I Street  
Sacramento, CA 95812

Dear Mr. Ferhut,

Again, Lexmark appreciates being afforded the opportunity to further participate in the California Integrated Waste Management Board's (the "Board") rule-making process with respect to the proposed EPP standard for printer and duplication cartridges. We have no further comments at this time, but would like to be included in further discussions and drafts. Thank you very much for including Lexmark in these discussions and for your consideration of our suggestions.

Yours sincerely,

Patrick T. Brewer  
Director, Government Affairs

Tonya Jackson,  
Director, Sustainable Practices –  
Environmental, Health and Safety
