This action adopts and amends multiple sections to incorporate the relevant provisions of the current California Fire Code related to tire storage and disposal, specify requirements for waste tire collection locations, clarify provisions related to tire derived products, simplify waste tire facility reapplication procedures, add procedures related to excluded and exempt waste tire facilities, remove cleanup and abatement order procedures, expand and clarify facility penalty schedules, specify manifest requirements

for delivery of waste tires to port terminals, update references from the California Integrated Waste Management Board (CWIMB) to CalRecycle, and make minor corrections and clarifications.

OAL approves this regulatory action pursuant to section 11349.3 of the Government Code. This regulatory action becomes effective on 10/29/2014.
