TO: ALL INTERESTED PARTIES

FROM: CALIFORNIA INTEGRATED WASTE MANAGEMENT BOARD  
SPECIAL WASTE DIVISION

SUBJECT: NOTICE OF REVISIONS TO THE EXISTING WASTE TIRE HAULER  
REGISTRATION AND MANIFESTING REGULATIONS REGARDING  
RETREADERS (15-DAY COMMENT PERIOD)

The proposed regulations amend sections 18449 through 18462 and add sections 18456.2.1 and 18460.2.1 to the Waste Tire Hauler Registration and Manifesting Regulations (Title 14, California Code of Regulations, Division 7, Chapter 6, Articles 8.5, sections 18453 through 18465). A 45-day public comment period ran from February 25 through April 25, 2005. The California Integrated Waste Management Board (Board) held a public hearing on the proposed regulations on April 25, 2005. .

No comments were received during the 45-day comment period or at the public hearing. However, the Board, at its June 8<sup>th</sup> Special Waste Committee meeting, directed staff to initiate an additional 15-day comment period for Committee directed changes made after the initial comment period. The changes include the addition of Paragraph (c) to Section 18449 and the Retreader Self-Certification Form (CIWMB 173 (4/04)) and the Retreader Trip Log (CIWMB 180 (3/04)). Both forms were inadvertently left out of the package that went out for the 45-day comment period. These forms are currently in use under the emergency regulations. Section 18449 with proposed Paragraph (c) and the two forms are included with this notice.

Proposed paragraph (c) refers to the newly enacted Comprehensive Trip Log (CTL) (6/13/05). . A copy of the full text of the regulation as originally proposed, with the newly proposed changes clearly indicated, and the changes made by the Emergency CTL Regulations to these sections is available on the Legislation & Regulations page of the Board's internet website at <http://www.ciwmb.ca.gov/Rulemaking/Retreaders/>. Paper copies may also be obtained by contacting Tom Micka at the address or fax number listed below. Text shown in double underline depicts proposed changes made after the 45-day comment period. Board staff is only required to respond to comments related to the newly proposed changes.

The 15-day comment period extends from June 27 through July 11, 2005. **The Board must receive written comments on the proposed changes no later than 4:30 p.m. on July 11, 2005.**
