Section 100

OAL File No. 2012-0706-02 N

The Governor signed SB 1018 (Stats. 2012, c. 39) on June 27, 2012 which, among other things amended Section 42649.2 (a) of the Public Resources Code concerning the Recycling of Commercial Solid Waste Statute. As a result, CalRecycle found it necessary to amend section 18836 to make it consistent with this changed California statute. CalRecycle proposed to revise the definition of "Business" in Section 18836 (a) Definition by adding "four cubic yards or more" of commercial solid waste per week and striking out "more than four cubic yards" of commercial solid waste per week.

OAL approves this change without regulatory effect as meeting the requirements of California Code of Regulations, Title 1, section 100.
