Subject: Changing of CalRecycle Personnel In Reviewing And Voting On The
Nominees/recipient Of The Ralph Hunter Award, Enforcement Advisory Council Resolution
2011-02

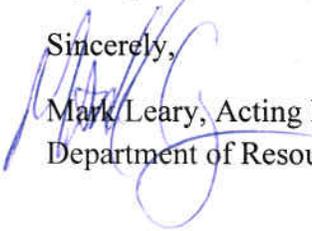

Dear Mr. Doser:

This letter is in response to Enforcement Advisory Council (EAC) Resolution 2011-02 passed at
the April 26, 2011 EAC meeting.

The EAC recommended that the working of the Ralph Hunter protocols be updated to reflect
organizational changes within CalRecycle. Specifically, the CalRecycle personnel identified as
participating with the EAC in reviewing and voting on the nominees/recipient of the Ralph
Hunter Award be changed from "Deputy Director" to "Director or his/her designee". I agree
with this recommendation, as this change is consistent with the CalRecycle management
structure.

I look forward to continuing to work with EAC to further our success at coordinating an effective
and consistent statewide solid waste enforcement program and ensuring that Local Enforcement
Agency and CalRecycle interests and training needs are met.

Sincerely,

Mark Leary, Acting Director
Department of Resources Recycling and Recovery
