Subject: Outstanding Service in the EAC

Dear Chris,

Thank you for your excellent service and contributions to the Enforcement Advisory Council (EAC) for the past several years.

There were many challenging statewide solid waste technical issues that the EAC faced during your tenure. Your insights, suggestions, and recommendations were greatly appreciated and improved the quality of decisions that have been made.

Your participation greatly assisted CalRecycle in responding effectively to the interests and recommendations of the EAC and helped make the EAC extremely successful these past two years.

Again, please accept CalRecycle's sincere thanks for your service. I look forward to working with you in the future.

Sincerely,
