

# Monterey Bay Aquarium Dessert Reception

Wednesday, August 2, 2006

7:00 PM – 9:00 PM

*Join us for an evening at the Monterey Bay Aquarium!*

This private affair allows you to enjoy the many Ocean's Edge exhibits after hours, without the crowds. The Aquarium will open a large portion of their facilities for your viewing pleasure.

Curious about how the Monterey Bay Aquarium manages their waste stream? Come hear a presentation by Aquarium staff about their waste audit and innovative in-house waste diversion efforts.

Q & A Session to follow.

Finally, enjoy a great opportunity to network with your peers, Board Members and CIWMB Executive staff while feasting on a selection of fabulous desserts catered by Bon Appétit. You will also find a no-host bar offering libations to promote a casual atmosphere.
