Subject: Election of a New Chair, and Vice-Chairs - Response to Enforcement Advisory Council Resolution 2010-01

Dear Joe:

I am writing in response to Enforcement Advisory Council (EAC) Resolution 2010-01, received October 25, 2010 and passed at the October 7 EAC meeting. The resolution announces the results of the EAC election in which the EAC selected you as its Chair.

Congratulations on your new positions with EAC. Your leadership, extensive knowledge, and experience as LEA, when coupled with the highly knowledgeable colleagues already serving on the Council, will further the already impressive accomplishments of the EAC.

CalRecycle places an extremely high value on the EAC's assistance in working towards the consistent enforcement of solid waste mandates and effective solid waste management throughout the State. We rely on the EAC to assist CalRecycle in implementation of enforcement programs, trainings, and other technical matters related to effective solid waste management.

As you know, CalRecycle has been realigned to more effectively integrate our programs to better manage California's recycling and waste management efforts. Information on the realignment is available on our [website](#).

Both Mark Leary, Deputy Director, Permits & Certification Division and myself as Deputy Director of the Compliance & Enforcement Division look forward to continuing to work with you and the EAC to further our success at coordinating an effective consistent statewide solid waste enforcement program.

CalRecycle joins the EAC in congratulating and welcoming you as one of EAC's newly elected officers.

Sincerely,

Ted Rauh, Deputy Director
Compliance & Enforcement Division
