Subject: Enforcement Advisory Council Resolution 2013-01 –  
Revision to Council Membership Structure

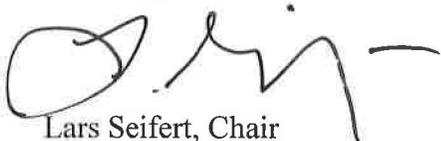

Dear Mr. de Bie:

On December 11, 2013, the Enforcement Advisory Council (EAC) voted to approve a revision to the council membership structure. Specifically, the EAC has requested the formal removal of the member positions for the *California Department of Health Services, Contract Counties*, and the *CalRecycle EA Section staff*. There are no counties that currently contract with the California Department of Public Health for LEA responsibilities. Additionally, CalRecycle is already effectively participating in EAC discussions and has indicated that maintaining a distinct EA member position is unnecessary at this time.

Therefore, the EAC respectfully requests that CalRecycle recognize the change in membership and reflect the changes in documents and procedures associated with the Enforcement Advisory Council. Please also revise the Structure and Procedures and Member List web pages located on CalRecycle's website as appropriate.

If you have any questions or need further clarification, please feel free to contact me at 760-336-8530 or by email at [larsseifert@co.imperial.ca.us](mailto:larsseifert@co.imperial.ca.us).

Sincerely,

Lars Seifert, Chair  
Enforcement Advisory Council
