This resource document provides Applicants with a cycle overview, instructions about how to access and complete the application online, and information about grant administration. The online application can be accessed on Grant Management System Web (GMSWeb) webpage at <http://www.calrecycle.ca.gov/Grants/GMS/default.htm>.

The Department of Resources Recycling and Recovery (CalRecycle) offers the Local Enforcement Agency (LEA) Grant Program pursuant to [Section 43230 of the Public Resources Code](#) (PRC). These noncompetitive grant awards are to be used exclusively for the support of the solid waste facilities permit and inspection programs.

ELIGIBLE APPLICANTS

Applicants are limited to CalRecycle certified Local Enforcement Agencies pursuant to [PRC 43200 and Title 14, California Code of Regulations, Chapter 5, Article 2.1, LEA Certification Requirements](#).

ELIGIBLE PROJECTS

Grant funds will supplement the LEA's existing for their solid waste facilities permit and inspection programs.

REGIONAL APPLICATION REQUIREMENTS

Local governments may join together in a regional program. A regional grant application is one in which two or more eligible jurisdictions join together in a regional partnership for the purpose of grant implementation. A Regional Lead jurisdiction must be designated to act on behalf of all participating jurisdictions (*see "Resolution Information" for specific instructions regarding authorization documentation*). The Regional Lead is the Grantee, which will be responsible for the performance of the grant and all required documentation. CalRecycle will direct all official correspondence and grant payments to the Regional Lead. If a jurisdiction is a participant in a regional program, it may not apply individually.

The LEA (Regional LEA) with permitting and enforcement duties covering multiple counties shall be responsible for the submittal of a regional Grant Application to CalRecycle. A Regional LEA is an LEA that has been authorized by resolution of one or more LEAs to carry out LEA duties for the authorizing jurisdiction(s).

AVAILABLE FUNDS

- CalRecycle will disburse approximately \$1,500,000 in grant funds from the Integrated Waste Management Account for this grant cycle, fiscal year (FY) 2013/14, subject to funding availability and passage and enrollment of the FY 2013/14 Budget Act.
- A total of \$96,000 of the \$1,500,000 appropriation will be set aside for LEA training and outreach. The remaining \$1,404,000 will be distributed among the grant Applicants on a pro-rata basis.
- The amount for which each LEA is eligible will be determined when all applications are processed. This figure will be provided to each grant Applicant when it becomes available.
- The grant amount is established from a base grant award of \$15,000 per jurisdiction, plus additional grant funds based on population and the number of permitted, active solid waste facilities in each local enforcement agency jurisdiction.
- Each Regional LEA shall receive a base grant multiplied by the number of counties for which the LEA is responsible, plus an additional amount based on the population of the jurisdictions served by the Regional LEA and the number of active, permitted solid waste facilities located within those jurisdictions.

GRANT TERM, GRANT PERFORMANCE PERIOD, AND REPORT PREPARATION PERIOD

The Grant Term begins on July 1, 2013, and ends on October 28, 2014. The Grant Term begins on the first day of the Grant Performance Period and ends on the last day of the Report Preparation Period, thus encompassing the entire grant cycle.

APPLICANT'S DOCUMENTS

The following provides information and examples of documents that you, as the Applicant, must provide. It is the Applicant's responsibility to ensure that the documents necessary to complete its application are uploaded to the Documents tab of GMSWeb.

Resolution Information

-for Applicants subject to a governing body, e.g., City Council, Board of Directors

A copy of the authorizing Resolution is a required application document. However, if Applicant needs additional time to obtain the Resolution, it must be uploaded no later than the secondary due date of **June 20, 2013**, or the application will be deemed incomplete and will be disqualified.

Applicants that are subject to a governing body must submit a Resolution that specifically authorizes certain grant-related matters. The following identifies the required Resolution provisions.

- The Resolution must authorize submittal of an application for one or more specifically named CalRecycle grant(s) or for all CalRecycle grants for which the Applicant is eligible.
- The Resolution must identify the period of time, up to five years, during which the authorizations are valid. Five years is encouraged; however, periods of less than five years are acceptable. If a Resolution submitted to CalRecycle does not specifically identify a period of time, it will be considered valid for one year from the date of adoption.
- The Resolution must identify the job title of the person authorized to sign all grant-related documents necessary to implement and close-out the grant(s) (Signature Authority).

(Optional, but encouraged) The Resolution should authorize the Signature Authority to delegate his/her signature authority to another person identified by job title. The Signature Authority must sign a Letter of Designation prior to the Designee's exercise of his/her authority.

Regional Applications:

- The Lead Applicant must submit an approved Resolution that authorizes it to act as a lead for a regional program. This Resolution authorizes submittal of a regional application on behalf of the Lead Applicant and specifically named regional participants, and includes authorization letters with **original signatures** dated within the last 12 months from the participating jurisdictions authorizing the Lead Applicant to act on their behalf for this cycle. (see example below)
- If the Resolution is valid for more than one year, it is highly recommended a) that the list of participants be provided as an attachment rather than embedded in the Resolution, and b) that the Signature Authority be authorized to revise the list as necessary with each subsequent application (this allows a Signature Authority to add or remove regional participants with each new application without the necessity of obtaining a new Resolution).
- Regional participants subject to a governing body must provide a Letter of Authorization, dated within the last 12 months, to the Regional Lead authorizing the Lead Applicant to act on its behalf for this cycle. Copies of the Letters of Authorization must be uploaded with the application by the secondary due date. *Please see Letter of Authorization Information section.*
