Dear Resident:

The Solano County Department of Resource Management, Environmental Health Services Division, is authorized by California Integrated Waste Management Board (CIWMB) to act as the solid waste Local Enforcement Agency (LEA) for Solano County. The LEA has received an application requesting to revise the Solid Waste Facilities Permit for the Norcal Waste Systems Hay Road Landfill located at 6426 Hay Road, Vacaville, CA 95697.

The LEA issued a permit to this facility in May 3, 2001 and the Solano County Department of Resource Management issued Land Use Permit No. U-91-28 (Minor Revision No. 3) on June 7, 2005. This facility is proposing to update and amend their operational activities. An application and a revised Joint Technical Document were prepared, and the LEA has reviewed the supporting documentation. The LEA has accepted the proposed project.

The Solano County LEA will hold a public informational meeting at 7:00 PM p.m. on Wednesday, June 06, 2007 at the Vacaville City Hall, Conference Rooms A & B, 650 Merchant Street, Vacaville.

Prior to the hearing, the project details and environmental documents may be reviewed at, or written comments submitted to the Solano County Department of Health Services, Environmental Health Division, at 675 Texas Street - Suite 5500, Fairfield, CA 94533.

If you have any questions, please call me or Ed Padilla, REHS at 707/784-6765.

Sincerely,

Ricardo M. Serrano, MS, REHS
