

**COUNTY OF SAN BERNARDINO
NOTICE OF HEARING**

**PUBLIC INPUT REQUESTED ON
MITSUBISHI CEMENT PLANT CUSHENBURY LANDFILL
SOLID WASTE FACILITIES PERMIT REVISION
TO INCREASE THE PERMITTED TRAFFIC VOLUME FROM TWO TO
EIGHT VEHICLES PER DAY**

NOTICE IS HEREBY GIVEN that on Thursday, June 4, 2009 at 6 p.m., the County of San Bernardino Department of Public Health, Division of Environmental Health Services, Local Enforcement Agency (LEA) will conduct a public hearing pursuant to Public Resources Code 44004 to receive public input from interested parties regarding a change in operations at the Mitsubishi Cement Plant Cushenbury Landfill (SWIS #36-AA-0074), located at 5808 State Highway 18, Lucerne Valley, California 92356. The LEA accepted the permit revision application package as complete and correct on May 5, 2009. The proposed operational change is to increase the permitted traffic volume from two to eight vehicles per day. The LEA's preliminary determination is that the proposed permit revision be approved.

SAID HEARING will be conducted at the Mitsubishi Cement Plant facility located at 5808 State Highway 18, Lucerne Valley, 92356, where members of the public may be present and heard on this matter, including comments on any of the above changes. All comments will be accepted by the County of San Bernardino Department of Public Health, Division of Environmental Health Services - LEA, and forwarded to the California Integrated Waste Management Board for their consideration of concurrence to revise the Solid Waste Facilities Permit. The California Integrated Waste Management Board will act on the LEA's recommendations for a revised Solid Waste Facilities Permit at a hearing to be scheduled within the next 90 days after the public hearing.

For information regarding the proposed permit revision and this hearing, contact: Michael Farrell, Supervising Environmental Health Specialist, San Bernardino Department of Public Health, Division of Environmental Health Services, Local Enforcement Agency, 385 N. Arrowhead Avenue, Second Floor, San Bernardino, CA 92415, (909) 387-4655. The contact for the Mitsubishi Cement Plant Cushenbury Landfill facility is David M. Rib at (760) 248-5184.
