The Riverside County Department of Environmental Health, Solid Waste Management Program, acting as the Local Enforcement Agency (LEA) is certified by the Department of Resources Recycling and Recovery (CalRecycle) to enforce state laws and regulations at solid waste sites within its jurisdiction. The Moreno Valley Solid Waste Recycling and Transfer Facility operates under a Solid Waste Facility Permit issued by the LEA. The operator has filed an application for a TPR Amendment with the LEA. The TPR describes the design and operation of the facility.

As required by 27 CCR, Section 21660.1, the LEA is distributing this notice for the purpose of noticing its acceptance of the amendments to the TPR for Moreno Valley Solid Waste Recycling and Transfer Facility.

### Description of Project

The TPR Amendment addresses the following changes:

1. New outdoor public drop-off area (hand-unload area) for public self-haul vehicles containing recyclables and municipal solid waste.

### LEA's Determination

An application for a TPR amendment was received by the LEA on October 3, 2012. Pursuant to 27 CCR, Section 21665(c), the LEA reviewed the application and determined that the proposed change is consistent with all adopted CEQA documents, is consistent with State Minimum Standards and does not conflict with the terms and conditions of the current SWFP. The LEA approved the TPR amendments on October 11, 2012.
