The Los Angeles County Department of Public Health, Solid Waste Management Program (SWMP), acting as the Local Enforcement Agency (LEA), is certified by the Department of Resources Recycling and Recovery (CalRecycle) to enforce state laws and regulations at solid waste sites within its jurisdiction. The Commerce Refuse-to-Energy Facility operates under a Solid Waste Facility Permit issued by the LEA. On March 27, 2013, the LEA received an application for an amendment of Report of Facility Information (RFI).

Changes Proposed as RFI Amendment

Installation and operation of metals recovery equipment that will remove both ferrous and non-ferrous metals from the ash produced at the facility, relocation of storage bins and area for ferrous metals and hazardous wastes, and update of the distance between entrance and scales.

LEA's Determination

Pursuant to Title 27, California Code of Regulations (27 CCR), Section 21666, the SWMP determined that the application met the requirements of 27 CCR, Section 21665(c) and accepted the application for filing on April 26, 2013.

Where to Obtain Additional Information

Additional information is available for public review by appointment only at the LEA office located at 5050 Commerce Drive, Baldwin Park, California 91706 between 8:00 a.m. and 4:00 p.m. Monday through Friday.

Appeals Process Information

Pursuant to Public Resource Code (PRC), Section 44307, you may contact Gerry Villalobos, EHS IV at (626) 430-5540 for information on the availability of appeals to challenge LEA's determination.
