**Environmental Justice** - Applicant certifies that, if awarded a grant, it shall, in the performance of the grant agreement, conduct its programs, policies, and activities that substantially affect human health or the environment in a manner that ensures the fair treatment of people of all races, cultures, and income levels, including minority populations and low-income populations of the State. **(Please check box and initial.)**

## *Environmental Justice*

***Public entities that receive grant funding from CIWMB for this grant program must comply with the following principles of Environmental Justice.***

*Environmental Justice is defined in Government Code Section 65040.12(e) as: "...the fair treatment of people of all races, cultures, and incomes with respect to the development, adoption, implementation, and enforcement of environmental laws, regulations, and policies."*

*Senate Bill 115 (Solis, Statutes of 1999, Chapter 690) broadly requires all California Environmental Protection Agency boards, departments, and offices to conduct their "programs, policies, and activities that substantially affect human health or the environment in a manner that ensures the fair treatment of people of all races, cultures, and income levels, including minority populations and low-income populations of the state."*

The application is self-explanatory and contains instructions. The Appendices includes the following information: sample purchasing policies, a sample budget itemization form; an application checklist; definitions, and scoring criteria. A completed application should include answers to all eleven (11) criteria as well as the following completed forms: Work Plan; Budget Itemization; Summary of Current and Previous Grant Awards; General Checklist of Business Permits, Licenses, And Filings, and a Resolution, or if applicable, a Joint Power Authority (JPA) agreement, and/or Memorandum of Understanding (MOU). To assist you, a sample application that includes some of our best responses has been posted on the CIWMB website at: [www.ciwmb.ca.gov/Tires/Grants/TrackSurface](http://www.ciwmb.ca.gov/Tires/Grants/TrackSurface).

**GENERAL CRITERIA  
NEED  
(Criterion #1 – 25 points)**

**The grant application clearly and convincingly describes and demonstrates why the recreational surfacing project should be funded (e.g., benefits, end products, etc.)**

(10 pts.) Describe your project, why the project is needed, and how it will benefit the community and meet the community's needs. Describe the project funding needs. Address the identified gap in service availability. This means what is the length of time the refurbished or new recreational surfacing project will be out of service should the project obtain funding. In addition, what is the current unmet need and how will obtaining the recreational surfacing grant meet the need of the community?

**Grant Applicant:** \_\_\_\_\_

**Name of Project and Location:** \_\_\_\_\_

(10 pts.) Describe and document the recreational surfacing problem you are seeking to correct. Support the existence of the problem and project need (described in the first part of this criterion) with data from surveys, maintenance and safety reports, studies, accident reports, etc. Provide statistics about how the community will be affected if new rubberized surfacing from waste tires is installed. Note: photos of the condition of the existing project illustrating the need will be accepted. Photos do not replace the description.

(5 pts.) Describe the health and safety threats or environmental concerns for users of existing recreational facilities (i.e., the community recreating in unsafe/undesirable areas, contamination from animals, debris on surfacing, hard fall surfaces, or other health and safety hazards due to surfacing design, etc.).

Grant Applicant: \_\_\_\_\_

Name of Project and Location: \_\_\_\_\_

**GENERAL CRITERIA  
GOALS/OBJECTIVES  
(Criterion #2 – 10 points)**

**Goals and objectives must describe what you wish to accomplish by completing this grant project.**

(7 pts.) Describe specific goals and objectives for the project. The goals should reflect what you wish to accomplish through the project. The related objectives should be specific, measurable, relevant to the project, and time-limited. Please see the definitions for goals and objectives in Appendix D.

*Sample format:*

Goal 1 -  
Objective 1 -  
Objective 2 -  
Objective 3 -

Goal 2 -

(3 pts.) How was the identified need as described in Criterion #1 determined for this project? For example: community workshops, planning sessions, user input, surveys, etc.

Grant Applicant: \_\_\_\_\_

Name of Project and Location: \_\_\_\_\_

**GENERAL CRITERIA  
EVALUATION  
(Criterion #4 – 5 points)**

**Describe your methods to evaluate the project and determine whether the goals, objectives, and tasks will be accomplished successfully.**

(2 pts.) How will you determine if the goals, objectives, and tasks for this project have been accomplished (post-construction inspection, use by the community, user surveys, etc.)?

(2 pts.) How will you measure the project's impact on the community and the project users?

(1 pt.) Describe any evaluation reports that will illustrate the success of the project.

List staff responsible for the project evaluation and evaluation reports:

**GENERAL CRITERIA  
BUDGET ITEMIZATION FORM  
(Criterion #5 – 10 points)**

**Cost (dollar figure) associated with activities necessary to complete the project.** Provide a detailed itemization of funds requested and demonstrate that the project is cost-effective. Attach quotations, estimates, or other documentation to support costs. See page 11 of the Application Information and Instructions for more details. The Grantee shall certify under penalty of perjury the minimum, if not exact, percentage of recycled content, both secondary waste and post-consumer waste for the products, materials, goods, and supplies used in the performance of this Grant Agreement, as defined in Public Contract Code (PCC) §§ 12161, 12162, 12181, 12182, and 12200, as applicable. This certification shall be provided to the CIWMB Grant Manager on a Recycled-Content Certification Form if grant is awarded.

**\*Tips**

- Since the cost per tire in Criterion #10 will go up with the total cost of the project, applicants are encouraged to include **only the minimum match requirement** in the budget (e.g., \$100,000 in grant monies would require a minimum of \$100,000 in match monies – unless financial hardship is claimed then the minimum match required is \$50,000).
- This form may be reproduced and enlarged as necessary.
- The tasks and corresponding dollar figures in the Budget Itemization Form and the Work Plan Form must match.
- Attach quotes and/or estimates to verify reasonable costs.
- Round all amounts to the nearest whole dollar.
- Check your calculations!!!

**GENERAL CRITERIA**  
**APPLICATION COMPLETENESS, LETTERS OF SUPPORT, EXPERIENCE, ETC.**  
**(Criterion #6 – 5 points)**

**Completeness** (2 Pts.)

Applicant must submit:

- A completed and signed original and three (3) copies of the application. Mark “original” and “copy” on the applications as appropriate.
- An original and three (3) copies must be double-sided and printed on recycled-content paper, and fastened in the upper left-hand corner (do not bind).
- An application signed by the person whose title is designated in the resolution.
- An approved resolution or a resolution timeline (see sample resolution), as well as a Joint Powers Authority Agreement or a Memorandum of Understanding (if applicable).
- A certification they have obtained, or will obtain, ALL required permits, licenses, and filing (Complete and sign the General Checklist of Business Permits, Licenses, and Filings).

**Letters of Support** (1 Pt.)

Application packet includes at least three (3) letters of support for the project. For the purposes of this requirement, provide letters of support and/or commitment for your grant from local governments (employees/officials), board members, Board of Supervisors, etc., from entities other than your agency.

All letters of support must be submitted with your application packet.

Do not send letters to CIWMB separately.

**Experience** (2 Pt.)

Address the ability of the applicant to coordinate grant activities. Describe the project manager’s experience coordinating similar grants in the space below.

**PROGRAM CRITERIA**  
**RECYCLED-CONTENT PURCHASING POLICY OR DIRECTIVE**  
**(Criterion #7 - 15 points)**

**Definition of recycled-content purchasing policy or directive:** Either 1) a policy which specifies purchasing recycled-content products instead of non-recycled products whenever price, quality, and availability are comparable; or 2) a directive or memoranda implementing recycled-content purchasing practices. Examples include: a re-refined oil purchasing policy or a general "recycled-content" procurement policy. See Appendix A – Sample Procurement Policies.

(4 pts.)

Does your organization have a recycled-content purchasing policy or directive?    Yes         No

**PROGRAM CRITERIA  
RECYCLING AND SUSTAINABLE PRACTICES PROGRAMS  
(Criterion #8 - 5 Points)**

**Provide evidence that a recycling and a sustainable practices program has been developed and implemented by the public entity to recover materials from the waste stream. Provide evidence that the program mitigates or avoids adverse environmental effects.**

(3 pts.)

Explain how the applicant handles easily recycled internal waste such as paper, bottles, and cans. Describe how the applicant integrates waste management and recycling practices into its special events and/or recreational programs at the project location. How does the applicant's recycling program lessen or avoid unfavorable environmental effects.

(2 pts.)

Evidence of performing sustainable practices (Sustainable practices are procedures that result in resource conservation and/or efficiency). Check the boxes that correspond to the sustainable practices your agency participates in.

(Criterion # 9 - 5 points)**

**CHECK ONE BOX**

(0 pts.)

- This track and recreational facility has been awarded a Playground Cover and/or Track and Other Recreational Surfacing grant funded from the California Tire Recycling Management Fund offered by CIWMB during either of the last two grant cycles (fiscal years 2001/2002 and/or 2002/2003). Check this box if your agency has been awarded a grant.

**OR**

(5 pts.)

- This track and recreational facility has received no Playground Cover and/or Track and Other Recreational Surfacing funding from the California Tire Recycling Management Fund offered by CIWMB during either of the last two grant cycles (fiscal years 2001/2002 and/or 2002/2003). Check this box if your agency has NOT been awarded a grant.

Grant Applicant: \_\_\_\_\_

Name of Project and Location: \_\_\_\_\_

**PROGRAM CRITERIA**

**ESTIMATED COST PER CALIFORNIA WASTE TIRE DIVERTED FROM THE WASTE STREAM  
(Criterion #10 - 10 points)**

The applicant will receive points based on the number of waste tires diverted from the waste stream as it relates to the cost per tire. The cost per tire is calculated by dividing the total sum of the grant plus match (as listed on the application cover sheet) by the total number of tires used in the project. (See Application Information and Instructions page 7 for a description of eligible and ineligible costs.) Tip: If the manufacturer is only able to indicate the number of pounds of rubber used in the project, CIWMB estimates that twelve (12) pounds of rubber can be recovered from each waste tire.

*NOTE: If the applicant does not provide an accurate calculation, zero (0) points will be awarded for this criterion.*

$$\frac{\text{Total eligible cost}}{\text{(divided by) number of tires}} = \text{total cost per tire}$$

*Example of cost per tire calculation using the sample budget provided in the Appendices.*

$$\frac{\$200,000}{\text{Total eligible cost}} \text{ (divided by) } \frac{5,221}{\text{number of tires}} = \frac{\$38.31}{\text{total cost per tire}}$$

**PROGRAM CRITERIA**

**ECONOMIC NEED**

**(Criterion #11 - 5 points)**

The points below are allocated based on the applicant's ability to demonstrate economic need in the area in which the project is physically located, based on median household income data from the U.S. Census. Please check only one box and provide the project Zip Code Tabulation Area (ZCTA) and the ZCTA median household income in the space provided below. To find the median household income of the project, refer to step-by-step process on page 9 of the "Application Information and Instructions." Applications that qualify for five (5) points also qualify for "Extreme Financial Hardship" and need only provide a match of fifty percent (50%) of the total grant amount requested. California's Median Household Income is \$47,493. Sixty-four percent (64%) of the State Median Household Income is \$30,396. However, for the purposes of this criterion, we will use at or below \$30,399 to receive five (5) points. Other calculation adjustments have been made to assist the applicant.

- 0 Points** - The project is located within a ZCTA for which the median household income is at or over 75.00% (at or over \$35,624).
- 2 Points** - The project is located within a ZCTA for which the median household income is between and including 70.00% - 74.99% (between and including \$33,245 - \$35,623).
- 3 Points** - The project is located within a ZCTA for which the median household income is between and including 64.01% - 69.99% (between and including \$30,400 - \$33,244).
- 5 Points** - The project is located within a ZCTA for which the median household income is at or below 64.00% (below \$30,399).

## SAMPLE RESOLUTION

WHEREAS, the people of the State of California have enacted Assembly Bill 1843 (Brown, Statutes of 1989, Chapter 974) that provides grants to public entities involved in activities that result in reduced landfill disposal of used whole tires and reduced illegal disposal or stockpiling of used whole tires; and

WHEREAS, the California Integrated Waste Management Board has been delegated the responsibility for the administration of the program for the State, setting up necessary procedures governing program applications; and

WHEREAS, said procedures established by the California Integrated Waste Management Board require the applicant to certify by resolution approval of the application before submission of said application to the State; and

WHEREAS, if awarded a grant, the applicant will enter into an agreement with the State of California for development of the project;

\*NOW, THEREFORE, BE IT RESOLVED that the \_\_\_\_\_ (*Title of Governing Body*) authorizes the submittal of an application to the California Integrated Waste Management Board for the 2003/2004 Waste Tire Track and Other Recreational Surfacing Grant Program. The \_\_\_\_\_ (*Title of Official, or his/her authorized designee*) of the \_\_\_\_\_ (*Name of Entity/Agency/Government*) is hereby authorized and empowered to execute in the name of the \_\_\_\_\_ (*Name of Entity/Agency/Government*) all necessary documents, including but not limited to, applications, agreements, amendments, and payment requests necessary to secure grant funds and to implement and carry out the purposes specified in the grant application.

The foregoing resolution was passed by the \_\_\_\_\_ (*Title of Governing Body*) this \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_. Effective: \_\_\_\_\_, \_\_\_\_\_.

ATTEST:

\* The wording in this Sample Resolution is appropriate for a jurisdiction applying individually. See below for alternative wording for regional program resolutions.

Lead Applicant for a Joint Agreement: NOW, THEREFORE, BE IT RESOLVED that the \_\_\_\_\_ (*Name of Entity/Agency/Government*) authorizes the submittal of a regional application on behalf of \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_ to the California Integrated Waste Management Board for the 2003/2004 Waste Tire Track and Other Recreational Surfacing Grant Program. The \_\_\_\_\_ (*Title of Official, or his/her designee*) is hereby authorized and empowered to execute in the name of \_\_\_\_\_ (*Name of Entity/Agency/Government*) all necessary documents, including but not limited to, applications, agreements, amendments, and payment requests necessary to secure grant funds and to implement and carry out the purposes specified in the grant application.

**Cooperative Project Participants:** NOW, THEREFORE, BE IT RESOLVED that the \_\_\_\_\_ (*Name of Entity/Agency/Government*) authorizes the \_\_\_\_\_ (*Name of Lead Entity/Agency/Government*) to submit to the California Integrated Waste Management Board a regional application for the 2003/2004 Waste Tire Track and Other Recreational Surfacing Grant Program on its behalf. The designee of \_\_\_\_\_ (*Name of Lead Entity/Agency/Government*) is hereby authorized and empowered to execute all necessary documents, including but not limited to, applications, agreements, amendments, and payment requests necessary to secure grant funds and to implement and carry out the purposes specified in the grant application.

## APPLICATION SUBMITTAL

Applicants must submit an original and three copies of the complete application, with the original marked "Original," and the copies marked "Copy," to the address below. Applications must exhibit a commercial carrier tracking number or be postmarked no later than **Monday, November 3, 2003**. Applications postmarked after this date will be returned to the applicant and will not be considered for grant funding. Hand-delivered, faxed, or E-mailed applications will **not** be accepted at any time. CIWMB strongly recommends that applicant's use priority or overnight mail to deliver their application package. Applications must be in a font no less than 10 points, printed on recycled-content paper, double-sided, and fastened in the upper left-hand corner (do not bind the applications).

Other than the Resolution missing or corrected information received after the deadline will be returned to the applicant and will not be considered. It is the applicant's responsibility to ensure that the application is submitted on time to CIWMB.
