NOTICE

TO: All Interested Parties

SUBJECT: AB 2530 – Plastic Beverage Container Production Content Workshop

Effective March 1, 2018, California law will require plastic beverage container manufacturers subject to the California Redemption Value to report to the Department of Resources Recycling and Recovery (CalRecycle) the amount of virgin plastic and postconsumer recycled plastic used by the manufacturer for plastic beverage containers subject to the California Redemption Value for sale in the state of California in the previous calendar year [Public Resources Code Section 14549.3].

To collect input effectively and to allow exchange among interested parties, the Department will hold an informal preliminary workshop to discuss plastic beverage container production content issues. Your feedback at this workshop is important to help CalRecycle develop workable compliance approaches.
