## Beverage Container and Market Expansion Grants

### Market Expansion

Active

Grant Cycle:	Grantee Name	Grant Number	Description	Amount of grant	Notes
CY 2008	Valley Vista Services	5008-507	The project will increase the rate and quality of CRV recovery by establishing a commercial single-stream (CSS) processing and sorting line and expanding Valley Vista's multi-family residential single-stream (RSS) processing capabilities through technological advances and efficient sorting equipment. This will allow the implementation of a processing line for CSS virtually non-existent in Southern California that processes and separates clean CRV from the commercial waste stream in various cities, thus, increasing the market value while increasing the recovery of CRV in the RSS through technological advances and efficiency.	\$545,000.00	Final report and retention approved.
