Print Name:		Title:	

FEEDSTOCK CERTIFICATION

CalRecycle 778-GHG (Rev. 8/18)

INSTRUCTIONS:

For the purpose of the application, the potential feedstock supplier(s) must validate that only California generated material that was otherwise going to a landfill will be supplied for the proposed grant project. During the grant term, each primary feedstock supplier who provided feedstock to the grant project must complete this form. Retain a copy of this certification and all supporting documentation, which verifies the feedstock supplied for the grant project is California-generated waste that was previously landfilled in California.

Item	Title	Applicant/Grantee Description
1.	Applicant or Grantee Name	Enter legal organization or business name as it appears in the application or Grant Agreement
2.	Grant Number (for Grantee only)	Grant Number that appears on the Grant Agreement
3.	Feedstock Verification	Check the appropriate box identifying if Feedstock Certification is being submitted with the Application, Progress Report or Payment Request (for Performance Payments only). Feedstock Certifications submitted during the application are considered estimates and Feedstock Certifications submitted with a Progress Report or Payment Request are considered actuals.
Item	Title	Processor, Contractor or Hauler Description
4.	Primary Feedstock Supplier	Provide the business contact information. Enter the contact name, address, city, state, zip, email, phone, fax, and website address.
5.	Feedstock Type	Enter the type of feedstock. Examples include: <ul style="list-style-type: none"> • Residential commingled food and green materials • Commercial pre- and/or post-consumer food materials • Industrial food processing residuals • Organic residuals separated from MSW • Fiber (paper, textiles, carpet, or wood) • Plastics (PET, HDPE, etc.) • Glass
6.	Secondary Feedstock Supplier Name	Enter the name(s) of any secondary feedstock suppliers. A secondary feedstock supplier is someone who sends California-generated waste that was otherwise going to a landfill to the primary feedstock material supplier for subsequent delivery to the applicant/grantee.
7.	Quantity	Enter the quantity in tons per week, month, or year. Specify frequency. If Application, enter the estimated tons. If Progress Report or Payment Request (for Performance Payments only), enter the actual tons.
8.	Signature	The Primary Feedstock Supplier must sign, date and print their name and title.

Audit/Records Access: The Primary Feedstock Supplier agrees that CalRecycle, the Department of Finance, the Bureau of State Audits, or their designated representative(s) shall have the right to the review and to copy any records and supporting documentation pertaining to this Certification of the products certified herein. Additional supporting documentation may be requested by CalRecycle staff which includes but is not limited to: Bill of Lading, weight tickets, shipping documents, Letter of Intent, Invoice, Contract, or other similar items. The Primary Feedstock Supplier agrees to maintain such records for possible audit for a minimum of three (3) years after final payment date or grant term end date, whichever is later, unless a longer period of records retention is stipulated, or until completion of any action and resolution of all issues which may arise as a result of any litigation, dispute, or audit, which is later. The Primary Feedstock Supplier agrees to allow the designated representative(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, the Primary Feedstock Supplier agrees to include a similar right of the state to audit records and interview staff of any Secondary Feedstock Supplier and in any contract and subcontract related to this Certification of the products certified herein. A Secondary Feedstock Supplier will be expected to provide supporting documentation if subject to audit.
