

“EwasteEng” transcript (Ewaste PSA in English)

Woman (speaking to unseen ‘person’ with sexual innuendo): We need to talk. I’m just not satisfied. You’re slow, you’re forgetful, and you’re a little, um, small. I want more...more!!!! Faster... bigger ...and tons of well, you understand.

(Shot widens to reveal that she is speaking to an old computer)

I’m sorry baby, but I thought you should know.

Off screen narration: When the time comes to move on, make sure you recycle your old computer. Visit erecycle.org to find out more.
