

"Check Your Number" Audio PSA's
30 second audio PSA

First Man: Is it 3,000?

Second Man: No.

First Man: 5,000?

Second Man: 7,500 actually

First Man: Really? Your car only needs an oil change every 7,500 miles?

Second Man: yup!

First Man: But aren't you supposed to you know, change it every 3,000 miles?

Second Man: Times have changed buddy.

Music starts

Third Man/Narrator:

Your car may not need an oil change as often as you think. Check your owner's manual for the recommended oil change interval number, or visit [check your number dot org](http://checkyournumber.org) to learn more.
